

Renato Russo - Catedral (com Zélia Duncan)

Tom: A
Intro: A D Bm E A D Bm E

I saw from the cathedral
You were watching me
And I saw from the cathedral
What I should be
So take my lies
And take my time
'Cause all the others want to take my life

É deserto onde eu te encontrei
Você me viu passar
Correndo só, nem pude ver
Que o tempo é maior
Olhei pra mim, me vi assim
Tão perto de chegar onde
Você não está

Serious for the winter time
To wrench my soul
Whole cotton whole cotton ears

But I know there must be
Yes, I know there must be
Yes, I know there must be a place to go
You saw me, from the cathedral
Well, I'm an ancient heart
Yes, you saw me from the cathedral
And here we are just falling apart
You catch me
I am tired
I want all that you are

Se eu disser
Que foi por amor
Não vou mentir
Pra mim
And I saw from the cathedral
You could not see to see
And take my time
So take my lies
'Cause all the others
Want to take my life
