

# Renato Russo - Cathedral Song

Tom: A  
Intro: A D Bm E A D Bm E

A D  
I saw from the cathedral  
Bm E E  
You were watching me  
A D  
And I saw from the cathedral  
Bm E  
What I should be  
D  
So take my lies  
A  
And take my time  
E D A  
'Cause all the others they wanna take my life  
A D  
And I watch, with an intent, basic  
Bm E  
It's the same for you  
A  
You hold your hand  
D  
And it's all fine - laced and  
Bm E  
would you make me do  
D  
So take my lies  
A  
And take my time  
E D A  
'Cause all the others they wanna take my life  
E A  
Serious for the winter time  
E A  
To wrench my soul

E A  
Whole cotton whole cotton ears  
D  
But I know there must be  
Bm  
Yes, I know there must be  
E E  
Yes, I know there must be a place to go  
A D  
You saw me, from the cathedral  
Bm E  
Well, I'm an ancient heart  
A D  
Yes, you saw me from the cathedral  
Bm E  
And here we are just falling apart  
D  
You catch me  
Bm  
I am tired  
E E A D Bm E A D Bm E  
I want all that you are  
A D  
And I saw from the cathedral  
Bm E  
You were leaving me  
A D  
And I saw from the cathedral  
Bm E  
Could not see to see  
D  
so take my time  
A  
and take my lies  
E  
'Cause all the others  
D A  
They wanna to take my life
