## **Renato Russo - Cathedral Song**

Tom: A Intro: A D Bm E A D Bm E

D Α I saw from the cathedral Bm E You were watching me A D And I saw from the cathedral Bm E What I should be D So take my lies Α And take my time D E Α 'Cause all the others they wanna take my life A D And I watch, with an intent, basic Bm E It's the same for you Α You hold your hand D And it's all fine - laced and Bm would you make me do D So take my lies А And take my time D F 'Cause all the others they wanna take my life E A Serious for the winter time E A To wrench my soul

## Acordes

Whole cotton whole cotton ears D But I know there must be Bm Yes, I know there must be F E Yes, I know there must be a place to go Α D You saw me, from the cathedral Bm E Well, I'm an ancient heart Yes, you saw me from the cathedral Bm E And here we are just falling apart You catch me Bm I am tired E E A D Bm E A D Bm E I want all that you are Α D And I saw from the cathedral Bm E You were leaving me A D And I saw from the cathedral Bm Could not see to see D so take my time and take my lies E 'Cause all the others D A They wanna to take my life
