

Renato Russo - Cherish

```
... your love
So tired of broken hearts, and losing at this game {\color{black}A}
                                                                                                                                                                                                                                                                          Give it to me boy, oh...all...all you joy
Before I start this dance I take a chance in telling you
                                                                                                                                                                                                                                                                          Give me faith, I will always cherish you
                                                             A D
\ensuremath{\mathbf{I}} want more than just romance
                                                                                                                                                                                                                                                                          Romeo and Juliet, they never felt this way I bet \begin{tabular}{c|c} D & G & D & E & A \end{tabular}

                                                                                                                                                                                                                                                                          Romeo and Juliet, they never felt this way I bet
Cherish the joy you keep bringing it into my life
                                                                                                                                                                                                                                                                          So don't underestimate my point of view
                                                                                                                                                                                                                                                                          You are my destiny, I can't let go baby
Oh cherish your strenght
                                                                                                                                                                                                                                                                          Can't you see
                                                                                              Em
                                                                                                                                                                                                                                                                          Cupid please take your aim at me
You got the to power to make me feel good, oh baby \frac{C}{C}
                                                                                                                                                                                                                                                                          (D G Em A)
Perish the thought of ever leaving never I would
                                                                                                                                                                                                                                                                          Give me faith
                                                                                                                                                                                                                                                                          Give me joy my boy
                                                                                                                                                                                                                                                                          I will always
Who? You! Can't get away, I won't let you
                                                                                                                                                                                                                                                                         Cherish you (2Xs)
D G Bm
Who? You! I could never forget to
                                                                                                                                                                                                                                                                          I will always Cherish you...
                                                                                                                                                                                                                                                                         I will always Cherish you...
Cherish is the word I use to remind me of
