

# Renato Russo - Hey, That's No Way To Say Goodbye

Tom: D

(intro) A A A

**D**  
I loved you in the morning  
Our kisses deep and warm

**Bm**  
Your head upon the pillow  
Like a sleepy golden storm

**G**  
Yes many loved before us  
I know that we are not a new

**D**  
In cities and in forests  
They smile like me and you

**Bm**  
But now it's come to distances  
And both of us must cry

**G** **A**  
Your eyes are soft with sorrow  
**A** **A7** **D** (A A A )  
Hey, that's no way to say goodbye

**D**  
I'm not looking for another as I  
Wander in my time

**Bm**  
Walk me to the corner  
Our steps will always ride

**G**  
You know my love goes with you  
And your love stays with me

**D**  
It's just the way it changes  
Like the shorelines and the sea

**Bm**  
But let's not talk of love or chains  
And things we can't untie

**G** **A**  
Your eyes are soft with sorrow  
**A** **A7** **D** (A A A )  
Hey, that's no way to say goodbye

**D**  
I loved you in the morning  
Our kisses deep and warm

**Bm**  
Your head upon the pillow  
Like a sleepy golden storm

**G**  
Yes many loved before us  
I know that we are not a new

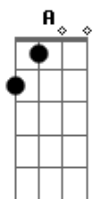

**D**  
In cities and in forests  
They smile like me and you

**Bm**  
But let's not talk of love or chains  
And both of us must cry

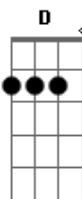

**G** **A**  
Your eyes are soft with sorrow  
**A** **A7** **D** (A A A )  
Hey, that's no way to say goodbye
