

# Renato Russo - Thunder Road

Tom: G

Screen door slams, Mary's dress waves  
 Like a vision dancing across the porch as the radio plays  
 Roy Orbison singing for the lonely, hey that's me and I want you only  
 Don't turn me home again, I just can't face myself alone again  
 Don't run back inside, honey, you know just what I'm here for  
 And you're scared and you're thinking that maybe we ain't that young any more  
 show a little faith, there's magic in the night  
 You ain't a beauty but eh, you're alright  
 Oh and that's alright with me  
 Ohh come take my hand We're ridin out tonight to case the Promised Land  
 Oh Thunder Road, Oh Thunder road, Oh Thunder Road  
 Lyin' out there like a killer in the dark  
 Hey I know it's late, we can make it if we run

Oh Thunder Road, sit tight, take hold, Thunder Road  
 So I got this guitar and I learned how to make it talk  
 And my car's out back if you're ready to take that long walk  
 From your front porch to my front seat  
 Door's open but the ride ain't free  
 Well I know you've been waiting for words that I ain't spoken  
 Well tonight we'll be free--all the promises will be broken  
 (e a musica continua com os mesmo acordes nas estrofes abaixo)  
 There were ghosts in the eyes of all the boys you sent away  
 They drive this dusty beach road in the skeleton frames of burned-out Chevrolets  
 They scream your name at night in the street  
 Your graduation gown lies in rags at their feet  
 And in the lonely cool before dawn you hear their engines roaring on  
 Until you get to the porch, they're gone on the wind so Mary climb in  
 It's a town full of losers and we're pulling out of here to win

## Acordes
