D D D- D7

(e a musica continua com os mesmo acordes nas estrofes abaixo)

There were ghosts in the eyes of all the boys you sent away

They drive this dusty beach road in the skeleton frames of burned-out Chevrolets

They scream your name at night in the street  
Your graduation gown lies in rags at their feet  
And in the lonely cool before dawn you hear their engines roaring on  
Until you get to the porch, they're gone on the wind so Mary climb in  
It's a town full of losers and we're pulling out of here to win
