

# Renato Seiji - Acéfalos

tom:

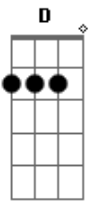

Minhas frases são acéfalas  
 Pela otorrea do auditório  
 É inútil pensar demais  
 Há uma tibe dos auto-denominadores supinos  
 Pelo que desavierlhes o pensamento  
 Pois vou continuar com o meu falaço

Enquanto um ser texugo abunda-se em sua poltrona  
 Assistindo a tv  
 Que lhe causa medo e paranóia  
 Eles tem muito o que buquinar  
 Prefiro ter a mente suja  
 Do que o cérebro lavado e editado  
 Prefiro ter a mente suja  
 Do que o cérebro lavado e editado
