

Renato Teixeira - O Galo da Campina

tom:

C

Am

Dm E7

Canta o Galo da Campina, no fundão da noite

Rege a natureza toda, com seu canto agudo

Pela barra da manhã, o dia se anuncia

Bem na hora que o Galo cocorocó

Não chora meu bem, não chora

Que ainda eu estou aqui

E a noite só vai embora

Quando a gente decidir

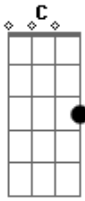

Não pense meu bem, não tema

O tempo não vai fugir

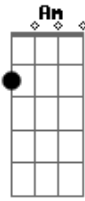

Deixa que a barca da vida

Sabe como agir
