

Renato Teixeira - Os Direitos do Povo

tom: G

Os direitos do velho povo
 São as chances que a vida dá
 Dele ser um João de Barro
 E cantar feito um Sabiá

De ser livre com seu trabalho
 Ser capaz de se sustentar

E de par com a felicidade
 Ter motivos pra procriar

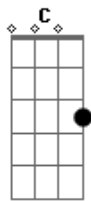

Engraxates, boias frias
 Feirantes e operários

Trombadinhas, garis e margaridas
 Lavradores, professoras
 Mendigos e serventes
 Lavadeiras e os desempregados
