                                                                                                                                                                                                                                             D
                                                                                                                                                                                                                               No higher name
The anthem for all my life
                                                                                                                                                                                                                                                   Em
                                                                                                                                                                                                                               No stronger name
                                                                                                                                                                                                                                                D
Every giant will fall
                                                                                                                                                                                                                               Than Jesus
The mountains will move
                 C2
Every chain of the past
                                                                                                                                                                                                                               You overcame
You've broken in two
                                                                                                                                                                                                                                               G
                                                                                                                                                                                                                               Broke every chain
                  Em
Over fear, over lies
                                                                                                                                                                                                                                     C2
We're singing the truth C2 D
                                                                                                                                                                                                                               Forever reign
                                                                                                                                                                                                                                      D
That nothing is impossible
                                                                                                                                                                                                                               King Jesus
Every giant will fall

                                                                                                                                                                                                                               The mountains will move
There is hope within the fight
                                                                                                                                                                                                                                         C2
Every chain of the past
                                                                                                                                                                                                                               You've broken in two
                                                                                                                                                                                                                                                Em
                         Em C2 G
Though the shadows steal the light
                                                                                                                                                                                                                               Over fear, over lies
           C2 Em D
                                                                                                                                                                                                                               We're singing the truth
Your love is my battle cry
                                                                                                                                                                                                                                         C2
                                                                                                                                                                                                                               That nothing is impossible
The anthem for all my life
                                                                                                                                                                                                                               Every giant will fall
Every giant will fall
                                                                                                                                                                                                                                                 Am
                                                                                                                                                                                                                               The mountains will move
The mountains will move
                 C2
                                                                                                                                                                                                                                                C2
                                                                                                                                                                                                                               Every chain of the past
Every chain of the past
You've broken in two
                                                                                                                                                                                                                               You've broken in two
                  Em
                                                                                                                                                                                                                                          Em D7
Over fear, over lies
                                                                                                                                                                                                                               Over fear, over lies
We're singing the truth
