[Primeira Parte]

I arise today by the mighty strength
Of the blessed trinity?
For the three in one: Father, Spirit, Son
Bind my heart with bravery
You're my breastplate and my shield

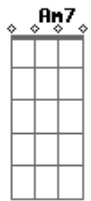

[Refrão]

Christ before me?
Christ behind me?
Christ within me?
All around me?
You're the only armor that my soul will ever need
Jesus, You're my victory
You're my everything?

[Segunda Parte]

I can face this day by the matchless power
Of the cross and empty grave
For the spirit of resurrecting love
Is alive in me today
You're alive in me today

My pilot, my captain
My guide and my guardian
Blessed be Your name
My wisdom, my wonder
My father forevermore
Blessed be Your name
