

Reneé Rapp - Colorado

tom:
 F (forma dos acordes no tom de D)
 Capostraste na 3ª casa

I think my life might be better if I lived in Colorado (Hmm)
 Sit around and get high, sippin' some white wine out the bottle (Bottle)
 I threw my phone into a lake
 And watch it sink to a better place, down at the bottom
 I think my life might be better if I lived in Colorado

'Cause maybe there I'd like myself, work on my mental health
 Might even feel compelled to sing karaoke
 Down at the local dive and meet some young ex-wife
 We'd start a brand-new life and never be lonely
 Swear to God, I am going not that far, but I know I won't
 Yeah, I know I won't

Who am I kiddin', I am addicted to the chip on my shoulder (Hmm)
 I like it best breakin' a sweat, so I go somewhere that is

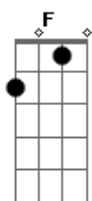

colder
 And I'll admit it would be nice to meet some guy who's not my type
 And move to Boulder
 But I think I'll probably hate my life if I lived in Colorado

'Cause maybe there I'd like myself, work on my mental health
 Might even feel compelled to finally let go
 But it's an empty dream, that shit's not meant for me
 I'd choose the devil I know over the heaven I don't
 Swear to God, I am going not that far, but I know I won't
 Yeah, I know I won't (I know I won't)

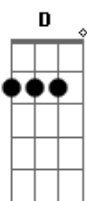

Yeah, I know I tell myself I'm leavin'
 This is hell, but I'll stay right here (I'll stay right here)
 Yeah, I'll stay right here

I'll stay right here (I'll stay right here)
 I'll stay right here (It's all right here)
 I'll stay right here (I'm used to having)
 Yeah, I'll stay right here (I'll stay right, I'll stay right here)
 I'll stay right here
