[Primeira Parte]

**Bm** **D** **A** **E**  
I was just a tourist, you got to be a big hometown hero  
**Bm** **D** **A** **E**  
Made you feel important, still stuck in your high school yearbook

[Pré-Refrão]

**Bm** **D** **A** **E**  
Why'd we have to cover so much ground? you showed me around  
**Bm** **D** **A** **E**  
As far as I'm concerned they should just burn the whole city down

[Refrão]

**A** **G**  
How'd you make me hate Boston?  
**D** **A**  
It's not its fault that you don't love me  
**A** **G**  
Had its charm, but it lost it  
**D** **A**  
It's not its fault just a casualty  
**A** **G**  
How'd you make me hate Boston?  
**D** **A**  
The whole thing is haunted, how do you sleep?  
**A** **G**  
Oh, when you held me hostage  
**Bm** **D** **A**  
You must be exhausted, don't you miss me?

[Final]

**Bm** **D** **A**  
And casual's the way you chose to leave  
**Bm** **D** **A**  
And you're all over every single street

tom:

Family confrontation probably started 'cause my name was mentioned

[Pré-Refrão]

**Bm** **D** **A** **E**

**Bm** **D** **A** **E**  
As far as I'm concerned they should just burn the whole city down
