[Refrão]

A **G**
How'd you make me hate Boston?
D **A**
It's not its fault that you don't love me
A **G**
Had its charm, but it lost it
D **A**
It's not its fault just a casualty
Bm **A**
And casual's the way you chose to leave

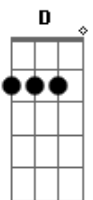

[Segunda Parte]

Bm **D** **A** **E**
Hid me in your basement, god forbid, you're not the center of attention
