

Reneé Rapp - The Wedding Song

tom:

Intro: Gm Dm C F

[Primeira Parte]

Gm Dm C
There's an old song I wrote for you

Gm
It was everything you'd want it to be

Gm Dm C
A melody lifts, A minor chord fall

Gm
It was timeless like you and me

Gm Dm C
And when the chorus hit it felt like flyin'

Gm Dm C
It would've played at every wedding night

And it went like

[Refrão]

Bb F C
You are my one, you set my world on fire

Bb F C
I know there's Heaven but we must be higher

Bb F C
I'm gonna love you 'til my heart retires

Gm Dm C
Forever will last, I think it went something like that

[Segunda Parte]

Gm Dm C
There's an old song I wrote for you

Gm
I would play it for all of our friends

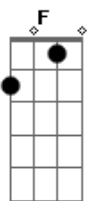

Gm Dm C
It'd make 'em all dance, it'd make 'em all cry

When it's over they said

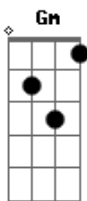

Gm Dm C
"Play it again" I would have sang it to you soft and sweet

Gm Dm C
You'd want it every anniversary, and it went like

Bb F C
You are my one, you set my world on fire

Bb F C
I know there's Heaven but we must be higher

Bb F C
I'm gonna love you 'til my heart retires

Gm Dm C
Forever we'll last, I think it went something like that

[Ponte]

Eb Bb
Why'd you have to mess it all up?

F
Why'd you have to burn it all down?

F
The words were so perfect,

The world should've heard it, I sang every line

Eb Bb
Out loud, Why'd you have to mess it all up?

F
Why'd you have to burn it all down?

F Eb
Should've played on the radio, day after day 'til they say that it's all played out

Eb Bb C
And it went like

[Refrão]

Bb F C
You are my one, you set my world on fire

Bb F C
I know there's Heaven but we must be higher

Bb F C
I'm gonna love you 'til my heart retires
