tom:  
 C  
 G C Em Am  
 Your boyfriend's in the bathroom and I'm holdin' your hand  
 C Em Am G  
 I wonder if he notices the things that I can  
 F  
 You don't even get it, no, you don't understand  
 F  
 I want you, but I know I'm only one of your friends  
 C Am  
 I know all about you, all your favorite things  
 C Em Am G  
 I listen to your stories, all your wildest dreams  
 F  
 And you go on for hours, say he's not what you need  
 F  
 You know you're too good for him, but if it were me  
 G7  
 I'd give you everything, hmm  
 C Em Am G  
 So what can I do? Ooh, ooh, ooh  
 C Em Am G  
 So you feel it too? Ooh, ooh, ooh  
 F  
 'Cause I just wanna say it, but I'm scared if I do  
 F  
 You ain't lookin' at me the way I look at you  
 C Em Am G  
 So what can I do? Ooh, ooh, ooh  
 C Em Am G  
 So you feel it too? Ooh, ooh, ooh  
 F  
 I'd rather keep on lyin' than to tell you the truth  
 F

So I'll be here forever wonderin' what can I, what can I do?  
 C Em Am  
 I'm sorry, but I'm picturin' you kissin' my neck  
 C Em Am G  
 You comin' over late at night to be in my bed  
 F  
 'Cause I swear that you feel it, but then I second guess  
 F Dm7  
 I don't know if you see us how I do in my head  
 G7  
 I'd give you everything, hmm  
 C Em Am G  
 So what can I do? Ooh, ooh, ooh  
 C Em Am G
