tom:

I've forgotten what I started fighting for
And if I have to crawl upon the floor
Come crashing through your door
Baby I can't fight this feeling anymore

[Verse]
My life has been such a whirlwind since I saw you
I've been running 'round in circles in my mind
And it always seems that I'm following you girl
Cause you take me to the places
That alone I'd never find

[Pre-Chorus]
And even as I wander I'm keeping you in sight
You're a candle in the window
On a cold dark winter's night
And I'm getting closer than
I ever thought I might

[Chorus]
And I can't fight this feeling anymore
I've forgotten what I started fighting for
It's time to bring this ship into the shore
And throw away the oars forever

Cause I can't fight this feeling anymore
I've forgotten what I started fighting for
And if I have to crawl upon the floor
Come crashing through your door
Baby I can't fight this feeling anymore
