I can't fight this feeling any longer  
And yet I'm still afraid to let it flow  
What started out as friendship  
Has grown stronger  
I only wish I had the strength to let it show  
I tell myself that I can't hold out forever  
I say there is no reason for my fear  
'Coz I feel so secure when we're toge\_ther  
You give my life direction  
You make everything so clear  
And even as I wander I'm keeping you in sight  
You're a candle in the window  
On a cold dark winter's night  
And I'm getting closer  
Than I ever thought I might  
And I can't fight this feeling anymore  
I've forgotten what I've started fighting for  
It's time to bring this ship into the shore  
And throw away the oars forever  
'Cause I can't fight this feeling anymore  
I've forgotten what I've started fighting for  
And if I have to crawl upon the floor  
Come crashing through your door

Baby, I can't fight this feeling anymore

My life has been such a whirlwind  
Since I saw you  
I've been runnin' round in circles in my mind  
And it always seems  
That I'm following you, girl  
'Cause you take me to the places  
That alone I'd never find  
And even as I wander I'm keeping you in sight  
You're a candle in the window  
On a cold dark winter's night  
And I'm getting closer  
Than I ever thought I might  
And I can't fight this feeling anymore  
I've forgotten what I've started fighting for  
It's time to bring this ship into the shore  
And throw away the oars forever  
'Cause I can't fight this feeling anymore  
I've forgotten what I've started fighting for  
And if I have to crawl upon the floor  
Come crashing through your door  
Baby, I can't fight this feeling anymore
