

Resgate - He'll come back again

Tom: C

(Versão: Ele vem)

Intro: Em D C (4 X)

Man if you're thinking that my God
 Is hanging on a cross
 Just like a dead symbol of something that has gone
 Oh! No! I'm sorry but you're wrong
 And if you're thinking that my God
 Felt tired and went back home
 To sit and rest alone

And he will never come back
 To bad! Cause you're wrong again

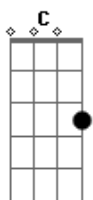

Yes he lives and shines much more than a summers day
 And one day you'll see from the clouds
 He will be back again

Someday he'll come again, like a lightning, yeah!
 Right above my head, of the clouds, yeah! Oh, yeah!

Em D C (4 X)
 G C Em D (2 X)

Yes he lives...
