

Reuben Gray - Lifeline

Tom: C

I didnt mean to bruise your heart
 I'm so sorry i drove us this far apart
 Drowning in a sea full of tears
 I thought we could have lasted for years

[Pré-Refrão]

And i still do
 Wanna live my life with you

[Refrão]

So throw me
 Throw me a lifeline baby
 Say that I'm really sorry
 Pick up the phone
 Show me show me you really want me
 Hold me love me need me

Dont wanna make this climb

[Ponte]

People change I can try
 Expectations I will defy
 Girl im beggin on my knees

C'mon c'mon
 Baby please

[Refrão]

So throw me
 Throw me a lifeline baby
 Say that I'm really sorry
 Pick up the phone
 Show me show me you really want me
 Hold me love me need me
 Dont wanna make this climb
 On my own
