

Revelação - Aceita

Tom: A

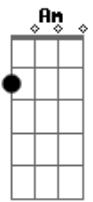

m
 No ensaio de uma escola de samba eu te encontrei
 O destino chegou, com um olhar me apaixonei
 A poesia da sua canção, foi a voz da mais pura razão
 E o meu fado ficou, traçado deste então
 Iluminada a madrugada, que trouxe a lua abençoada
 Luz tão divina que clareia
 Foi na ânsia de um desejo, que selamos num só beijo
 Aceita

Essa paixão que incendeia
 Foi na ânsia de um desejo, que selamos num só beijo
 Essa paixão que incendeia
 Eu sei que o mar te separa de mim
 Não deixe a distância ditar nosso fim
 Não deixa, não deixa
 Então meu amor, vem pra perto de mim
 Se a vida, o destino quiserem assim aceita
 Aceita
