

Revelação - Altas Horas

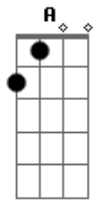

Tom: A

Intro: A Ab7 Dbm7 C E Gbm7 B7

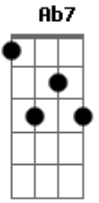

Madrugada fria, eu aqui sozinho,
 Precizando te encontrar, onde está você.
 Já são altas horas, eu te esperando,
 Mas não quero nem pensar, se você não vem.

Pra me aquecer, nessa solidão,
 Não suporto mais sofrer, quero tanto o seu amor,
 O tempo parou, eu nem percebi,
 Acho que você chegou quando adormeci.
 Tenho tanto pra dizer, dentro do meu coração,
 Eu não fiz por merecer, tanta solidão,
 Eu preciso de você estou apaixonado,
 Não consigo te esquecer, fica do meu lado.
