

Revelação - Novos Tempos

Tom: G

O ar que se respira agora inspira novos tempos
 Os sonhos meus e os teus decoram nosso apartamento
 Lá fora a sorte entrando enquanto aqui
 Reflete a lua em nossa cama
 E a vida segue assim
 Tão docemente vista da sacada da varanda
 Eterna, plena, adormecida sobre as ondas
 Brincar de amor

E eu vizinho de uma estrela
 Adoro vê-la iluminando o meu pedaço
 Deus quem me mandou seguir seus passos
 Pensando bem , a lua tem seus traços
 E o céu desaba em nosso corredor
 Esse é o nosso amor
 Esse é o nosso amor
 Lençol de fogo no frio
 A porta aberta pro cio
 Brincar de amor
