

# Rex Orange County - Corduroy Dreams

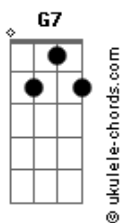

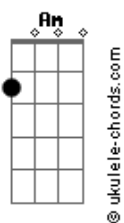

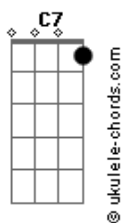

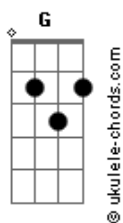

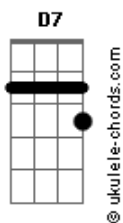

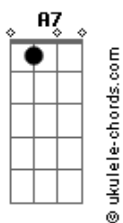

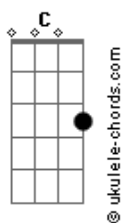

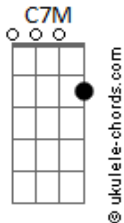

tom:

How could I ignore you?  
 Trust me I adore you  
 We're swimming through our dreams  
 Kiss me in the shower  
 For a couple hours  
 Though we're only sixteen  
 And sit down beside me  
 Don't call me daddy  
 Cause that's just fucking weird  
 Promise that you'll stay here  
 You and I can lay here  
 Until the end of time

[Chorus]  
 But girl, well don't you worry about me  
 It ain't new to me, feeling this lonely (Darling)  
 Girl, don't worry about me  
 But if you're ever unhappy  
 Then maybe, baby, I must let you go

## Acordes

Let you go

[Verse 2]  
 Baby now it's best here,  
 to lay me down and rest here  
 Let's dream of Corduroy  
 Work for what you love to do  
 and I will watch right over you  
 With your heart I'll never toy  
 And you're the other half of me.  
 Dream and sleep and laugh with me  
 Take me from myself  
 See I'm a fucking basket-case.  
 Until I'm able to see your face  
 You saved me from myself

[Chorus]  
 But girl, well don't you worry about me  
 It ain't new to me, feeling this lonely (Darling)  
 Girl, don't worry about me  
 But if you're ever unhappy  
 Then maybe, baby, I must let you go
