

Rex Orange County - Edition

Tom: **Gb**
Intro: **F A7 Dm7 C**

F
Baby you braved it
A7
I understand you had a bad day and shit
Dm7
So I say something dumb as fuck
C
And luckily it gives you a facelift
F
But really I couldn't take it
A7
Especially when the volume is raising
Dm7
She came in the room
C
Chicane in the road
Now my mind is racing
F
You care too
Where to?
A7
Three days in a row my plans fell through **Dm7**
C
Crying in a hotel room

F
You listen
A7
If I could I'd be staying at the edition
(For real?)
For real
Dm7
I would meet you at a certain time
C
And take my time and make my decision
For real
F **A7** **Dm7**
I'm only ever trying to help you
C
It's only ever love (in a hotel room)
It's only ever love, baby
F **A7** **Dm7**
I'm only ever trying to help you
C
It's only ever love, baby (in a hotel room)
F **A7**
It's only ever love
Dm7 **C** **F**
It's only ever trying to be loved in a hotel room

Acordes
