

# Rex Orange County - It's Not The Same Anymore

tom:

Intro: **Dm**

[Primeira Parte]

I'll keep the pictures saved

In a safe place  
Wow, I look so weird here

My face has changed now  
It's a big shame

So many feelings, struggling  
To leave my mouth

And it's not that rare for me  
To let myself down

In a big way  
But I had enough time and I found

Enough reason to accept that

[Refrão]

It's not the same anymore  
I lost the joy in my face  
My life was simple before  
I should be happy, of course  
But things just got much harder  
Now it's just hard to ignore  
It's not the same anymore  
It's not the same anymore  
It's not the same, but  
It's not a shame 'cause

[Segunda Parte]

I spend a long time putting up with people  
Putting on my best face  
It's only normal when you  
Stop things in the wrong way  
It's only four o'clock and still

It's been a long day  
I just wanna hit the hay  
People knocking on me like every day  
I'm tired of taking stress  
If only there could be another way  
I'm tired of feeling suppressed

And when they want me the most  
I'm tired of acting like I care, but I do  
And I can't wait to hit the bed

But tomorrow makes me scared

[Refrão]

'Cause it's not the same anymore  
I lost the joy in my face  
My life was simple before  
I should be happy, of course (Of course)  
But things just got much harder  
Now it's just hard to ignore  
It's not the same anymore

 Won't take my place on the floor  
**Gm Dm**  
 I'll stand up straight like I'm tall
