

## **Rex Orange County - Nothing (feat. Marco McKinnis)**

```
Tom: Gb
                                                              And I still see that in your eyes
   [Intro] A7M D7M Bm7
                                                                         Rm7
                                                              I hope that nothing will ever change
       A7M D7M Bm7
       A7M D7M Bm7
A7M
                                                              Cause I wish that I could grow up, the way in which you grow
When we first spent the night
                                                              up
                                                                                              D7M
           Bm7
Nothing else would ever feel that way
                                                              Cause then I'd love myself and I, I'd feel like a better guy
                     D7M
                                                                         D7M
                                                                  A7M
                                                                                     Bm7
In my room it all changed
                                                              Cause nothing, no, nothing
                                                               A7M
           Dbm7
                                                              No, nothing, no
And I could see something in your eyes
                                                                         D7M
                                                              I said that nothing else would ever be the same
          Bm7
I knew that nothing else would be the same
                                                              Same, same, be the same
                               D7M
But I wish that I could grow up, the way in which you grow up
                                                                                                   Abm7
                                                               Cause lately I've been missing you, I just kinda want your
Cause then you'd never see me cry
                                                              Gbm7
                                                                                    Em7
                   Bm7
And I'd feel like a better guy
                                                              I know I could ease the pain (ease the pain)
    A7M D7M
                    B7m(b5)
                                                              D7M
Cause nothing, nothing
                                                              And I know that you done missed me too
  A7M
                                                                                  G7
Oh, nothing, no
                                                              And if that's true, Well I'm sorry
                              Bm7
           D7M
                                                              Gbm7
                                                                                          Em7
I said that nothing else would ever be the same
                                                              But at least I'm on my feet again (feet again)
                                                              But listen girl
When we first spent the night
                                                                            Gbm7
                                                                                              Fm7
                                                                   G7
                                                              Couldn't you tell I'm scared as well?
                Bm7
No, nothing else could ever feel that way
                                                                       A7
                                                                              D7M
                                                              You could hold my hand (say something, say something)
                     D7M
In my room it all changed, yeah
                                                              Abm7 G7 Gbm7
                                                                                                     Em7
                                                               Say something, something that could ease my pain
                                 A7M D7M Bm7
        D7M
                  B7m(b5)
                                                                  D7m
Nothing seems to be as floral as you, baby
                                                              Ease my pain
A scarlet love and dew-light touches were so sacred
                                                              ( Dbm7 Gb7 Bm7 E7 )
                                                              ( BbM7 FM7 Am7 )
             A7M
                                                              ( BbM7 FM7 Am7 )
I could never leave your face
                 D7M
                                 R<sub>m</sub>7
                                                              ( A7m D7M Bm7 )
Shower you with my warm embrace, babe
                                                              ( A7m D7M Bm7 )
```
