[Primeira Parte]

C
The great protector
Is that what I'm supposed to be?
What if all this counts for nothing
Everything I thought I'd be?
What if by the time I realize
It's too far behind to see?
C
Seventy-mil projector
I can show you everything, yeah
And we're on our way to glory
Where the show won't ever end
And the encore lasts forever
And it's time we're due to spend

[Segunda Parte]

C
Spending the years together
Growing older every day (Every day)
I feel at home when I'm around you
And I'll gladly say again
I hope the encore lasts forever
Now there's time for us to spend
And it's sublime with you, my friend
C
This right here still feels like a honeymoon
When you say my name, nothing's changed
I'm still a boy inside my thoughts
Am I meant to understand my faults?
[Refrão]
C
I don't think so

I don't think I'm meant to understand myself

Maybe you do

And that's good for you
F#m7b5 G7
Maybe in time
Maybe one day
I'll do the same
ooo 000 ooo

(I'll do the same
I'll do the same
I'll do the same
same...
[Ponte]

I'll do the same as you
I'll try and hold it up
Soon I hope
Or as soon as I'm old enough

(Old enough to understand)
(Old enough to understand)

[Final]

Stay forever, you know more than anyone (Yeah, whoa)
And it's you that knows my darkness
And you know my bedroom needs
You could blast me and my secrets
Because there's probably just no need
