

# Rex Orange County - Television So Far So Good

Intro: F7M  
 Hey  
 I?m not afraid, I can be myself and I  
 Hope you can be yourself as well ?cos I can make you feel alright  
 And there was so much happiness that we were still yet to find  
 I said that you can call me Alex baby, welcome to my life  
 [Verse 1]  
 But don?t you worry, don?t you, don?t worry girl  
 No I?m not sure if I?m into you  
 The last time that you checked I was probably so sad and confused  
 I don?t know, no, I don?t know what you like  
 But if you?re looking for something new  
 I know somebody that you could choose

[Chorus]  
 What about me?  
 What about me?  
 What about me and you together?  
 Something that could really last forever  
 What about me?  
 What about me?  
 What about me and you together?  
 Something that could really last forever

[Solo]  
 Dm7 Bm7 Bb7M Gm7 C7  
 Dm7 Bm7 Bb7M Gm7 C7

[Bridge]  
 If all my friends wanna be in her bed  
 Then I begin to wonder why  
 I guess that I?d be lying to myself cause who the fuck  
 Would be dumb enough  
 To reject an offer?  
 Oh what an offer?

No two two ten one five  
 Couple hours can change your life  
 Frankie saying, "Oh what a night"  
 What a night?  
 What the fuck is a girlfriend?  
 I'ma need advice  
 Maybe I should go outside  
 So I could get a fucking life  
 I made a friend and she spent the night, and now  
 [Verse 2]  
 I?m in love and she remains in my life  
 I?m back and we spoke in Europe  
 I need insurance  
 On my emotions  
 I can?t get hurt again  
 Fuck the past, fuck them, they all made me sad  
 And I had no time to prepare to face my fears  
 I guess that it?s time that I dried these tears  
 [Final]  
 But if I could just be happy by the end of this song  
 But if by the time you hear it you are already gone  
 And it didn?t go to plan  
 Then why should I continue in this life?  
 When there?s no one around to be the one who makes me smile?  
 So far everything?s good  
 (Ooh)  
 Oh oh oh  
 Oh oh oh oh oh  
 I said, so far everything's good  
 Oh oh oh  
 Oh no no no  
 No no no no no no  
 I want the crowd in tears when they hear this  
 Is that so wrong?
