# Rhodes - Run

Tom: G

```
              Dm
Do you
  Am
remember when we used to run?
C
Sometimes I think alone
   G
I dream under the sun
         Dm
And I know
        Am
It's a long long time ago now
      C              G
But I miss it, I miss it so

Gm       Dm        C
Hold, hold down the world
Gm       Dm    C    G
Hold, hold oooon to your sun

         Dm        C
Oh why do we run, run, run
     G
so far from each other?
       Dm          C
Oh is it love, love, love?
   G
So hard to remember

         Dm
Well I'm tired now
          Am
Tired now I've grown
  C
We never did
              G
We never did walk alone, did we?
```

```

      C    G
beats in miiine.
      F              Am
And you thought it might disguise the
      C     G
parting liiine

   G
so far from each other?
