tom:
 Capotraste na 4ª casa
 Intro: A D A D
 [Riff]

It's too bad, it's too bad to be true
 You've let me sad and blue
 I've tried to make you happy
 Who are you? You've break my heart in two
 Little girl, you're pretty cruel
 Yes, you know, you always haved me
 But you'll never been true to me

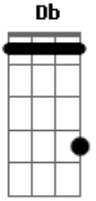

Nowadays you're the reason of all my crisis
 And I'm tryin' to fix it
 [Solo] A D A D
 A D A E A

But you'll never been true to me
 Nowadays you're the reason of all my crisis
 And I'm tryin' to fix it, 'cause
 Loving you is like a kick in my head
 Loving you is like a kick in my head
 Loving you is like a kick in my head
 Loving you is like a kick in my head
