

Ricardo Cesar - Sunshine, Moonlight

tom:

Intro: E A E A
E A E A

It's like a drug
Yeah, I am feel so good
You are my sunshine
And that's alright, yeah

(E A E A)
(E A E A)

Hey, little fool
You don't know how much I like you
You are my moonlight
And that's alright, yeah

[Solo] E A E A
E A E B E

A E
Where have you been

All this time I stayed here?
Could kiss your lips for the rest of my life
Could love you girl for the rest of my life

A E
You are my sunshine
A E
You are my moonlight
A E B
Do, do, do, do

E A
When I'm with you
E A
The world seems to be cool
E A
Could stay with you 'til the end of the world
E A
Could stay with you without saying a word

E A
You are my sunshine
E A
You are my moonlight
E A
You are my sunshine
E A E
You are my moonlight
