Now, more then whenever

If you go out remember

Wash your hands, be kissed by the Sun

Beware, we're in danger

All around people are locking down

We've got to stay together, if you please

Listen! Be safe!

We'll be seeing each other again

Listen! Stay safe!

We'll be seeing each other again soon

See, things aren't easy

But we're together at heart

But keep a distance and nothing will do us apart
