

Ricardo - Vem Me Curar

tom:

Intro: C G Am Am F G C G

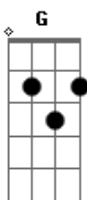

Muitas vezes me pego pensando
 Nas situações que me machucaram
 Nas feridas que ainda não cicatrizaram
 E o quanto ainda dói meu coração
 Choro escondido, sofro calado
 Pensei em desistir muitas vezes
 Hoje venho te pedir, Senhor
 Do fundo do meu coração
 Realiza um milagre em minha vida

Vem me curar, Senhor
