# Riccardo de Paulla - The Raven In The Light

```
                    tom:
                     E
            [Verse 1]

            E  B   Gbm       A   B   E
Erase my fear, ignite my peace
          B            A                 E
Your love is the remedy that brings me the light
          A     E   B              Dbm    B
When the world spins, and the pain makes no sense
A       Dbm  B  A       E
Only you heal me, make me feel alive

[Verse 2]

E         A                       E
I lose myself in the void, in the shadow of pain
B            B         Dbm        B   A
But your eyes are lighthouses, illuminating my soul
A          E     B              Dbm   E
The words fell silent, the stillness torments me
A        Dbm   B  A                   E
But your touch wakes me, and the sadness fades away

[Chorus]

E               A                B
The raven flies high, bringing the light
        Dbm              E            A
In the darkness, it?s the path that guides me
        Dbm      B       A      E
When fear controls me and pain imprisons me
Gbm            A            B    E B  Dbm   E  A
It brings hope, the cure that renews me eeeeeeee ooooh oooh

[Verse 3]

E              B
I look back and see what I?ve overcome
Dbm     E          A
Every tear, every battle, where love led me
Dbm  B    A                         B
Now I am strong, for in your embrace I found
              Dbm        B        A
E
The strength that was missing, the reason for who I am, and
never let go. Ooooh
```

```
   B  Dbm  A

            A                        E
I lose myself in the void, in the shadow of pain
