

# Richard Walters - All At Sea

Tom: B

(forma dos acordes no tom de Bb )  
Capostrate na 1ª casa

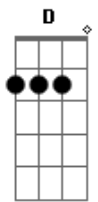

Silence is empty, filled with breaths from mouths  
That never move no more  
She talked some more, she talks now

And all the lights went out in empty rooms  
And now the empty hall  
I talk alone, i talk now  
And all i wanted was a chance to see you anyway  
Hold me, fold me up in your arms  
Faster, my love, sinking and gone

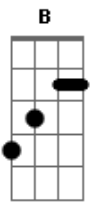

I was aware the time, i was a son before  
I met you dear  
I talk alone, i talk now

And all the lights go out in empty rooms  
And now the dirty hall  
I talked alone, i talk now  
And all i wanted was a chance to see you anyway  
Hold me, fold me up in your arms  
Faster, my love, sinking and gone  
Hold me, my love  
Telling me don't be afraid  
Wouldn't you want me to swim  
Wouldn't you want me to stay?  
Hold me my love  
Telling me won't be afraid  
Wouldn't you want me to swim  
Wouldn't you want me to stay
