

# Richard Walters - Brittle Bones

Tom: **Db**

Come on, little light, you know my name  
**Db**  
**Ab**  
 It's only gonna break you in the end  
**Db**  
 Nothing you could say could make it right  
**Ab**  
 Only in the way of what you know  
**Bbm**  
 Come on to the floor, you're brittle bones  
**Ab** **Gb**  
 Don't be a fool, don't let me go

And we danced in the dark on the stairs **Db**  
**Gb** **Db**  
 Like the people had pushed us out the room  
**Db**  
 Come on, little light, you stupid thing  
**Ab**  
 It's only gonna hurt you in the end  
**Db**  
 Nothing you could say could make it right  
**Ab**  
 Only in the way of what you know  
**Bbm**  
 Come on to the floor, you're brittle bones  
**Ab** **Gb**  
 Don't be a fool, don't let me go

**Db** **Gb**  
 And we danced in the dark on the stairs  
**Db** **Gb**  
 Like the people had pushed us out the room  
**Db**  
 And we kissed on the crowded stairs  
**Gb** **Db Gb**  
 Like we didn't know anyone was there

**Db Gb** **Db Gb**  
 It's nothing, it's nothing  
**Db Ebm**  
 It is nothing  
**Ebm Fm Gb**  
 Ooh, ooh, ooh, ooh  
**Ebm Fm Gb**  
 Ooh, ooh, ooh, home  
**Ebm Fm Gb**  
 Ooh, ooh, ooh, ooh  
**Ebm Fm Gb Ebm**  
 Ooh, ooh, ooh, down, down, down

We go

**Db**  
 And we danced in the dark on the stairs  
**Gb** **Db**  
 Like we didn't know anyone was there  
**Gb Ebm**  
 It's nothing  
**Db Ebm**  
 It is, it is nothing

Oh, oh, oh

**Ebm Fm Gb**  
 Ooh, ooh, ooh, ooh  
**Ebm Fm Gb**  
 Ooh, ooh, ooh, home  
**Ebm Fm Gb**  
 Ooh, ooh, ooh, ooh  
**Ebm Fm Gb Ebm**  
 Ooh, ooh, ooh, down, down, down

We go

**Db**  
 And we kissed in the dark on the stairs  
**Gb** **Db**  
 And we kissed on the empty stairs

## Acordes
