But my faith is keeping me strong...strong

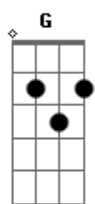

Don't stop believing in faith

I could be sleeping, but I'm holding on

I'm talking about faith
I don't wanna lose my faith
But what am I supposed to do when the feeling is gone?
The hardest part of all it is moving on

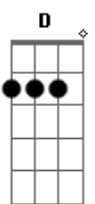

Don't wanna lose my faith
I just gotta learn to love
Never gonna lose my faith
I just need to hold on...
Hold on to my faith
