

# Richie Kotzen - Walk With Me

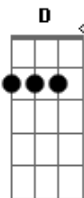

tom:  
 G  
 I'm not your maker, you're living dangerous  
 D A E  
 You wanna push your independence to the light  
 D A E  
 Where is our innocence? We're rhythmless  
 E  
 We've started out of time  
 D A  
 I'm feeling dangerous, I'm afraid of us  
 E  
 I know we've crossed the line  
 D A E  
 Then you say, follow me different tonight  
 D A E  
 If you get lost to me, there's no wrong or right  
 D A  
 Where is our innocence? We're rhythmless  
 E  
 And live your part tonight  
 D A E  
 Then you say, walk with me till we're out of sight  
 ( D A E )  
 D A E  
 I feel unstable, I'm having crazy thoughts  
 D A E  
 I wanna test my limitations all the time

D  
 And how did it come to this?  
 A E  
 Our socialness taken over life  
 D A  
 I'm feeling dangerous, I remember us  
 E  
 Back when you were mine  
 D A E  
 Then you say, follow me different tonight  
 D A E  
 If you get lost to me, there's no wrong or right  
 D A  
 Where is our innocence? We're rhythmless  
 E  
 And live your part tonight  
 D A E  
 And you say, walk with me till the end the time  
 D A  
 Ohhh (till the end of time)  
 E  
 Till the end of time  
 D A  
 Till the end of time  
 E  
 Till the end of time  
 D A  
 Where is our innocence? We're rhythmless  
 E  
 And live your part tonight  
 D A E  
 And you say, walk with me till the end the time
