

Richie Kotzen - Walk With Me

Acordes

```
And how did it come to this?
Our socialness taken over life
                D
I'm feeling dangerous, I remember us
Back when you were mine
Then you say, follow me different tonight

D
A
E
If you get lost to me, there's no wrong or right D A
Where is our innocence? We're rhythmless
And live your part tonight
And you say, walk with me till the end the time
Ohhh (till the end of time)
Till the end of time
Till the end of time
Till the end of time
Where is our innocence? We're rhythmless
And live your part tonight
And you say, walk with me till the end the time
