

# Richie Sambora - World

Tom: D  
Intro: D A Bm Bm G D E D G A

D A Bm  
World, you open up your eyes  
Bm G  
Another song we write  
D Em D G A  
And you begin to tell your story  
D A Bm  
World, what would you tell us first  
Bm G  
When you find the words  
D Em D G A  
Are you afraid, that we might listen  
B B E Gb  
Seems we're always trying to slow you down  
B Ab Dbm A  
But you just keep on turning round and round  
D A Bm  
World, there's nowhere we can hide  
Bm G  
We're as fragile as our pride  
D Em D G A

Shrug your shoulders, and cities crumble  
D A Bm  
World, you taught us to believe  
Bm G  
Gave us everything we need  
D Em D G A  
Why do we feel, it's all been stolen  
B B E Gb  
Have we always been laugh your breath  
B Ab Dbm A  
Each life, one moment of your destiny  
D A Bm  
World, we've had ten million years  
Bm G  
You've shed our hopes and fears  
D Em D G A  
Is it too late, to say we're sorry  
D A Bm  
World, you've been there as a friend  
Bm G  
Can we please try again  
D Em D G A D  
A world, we don't want you to end
