

# Rick Astley - Behind The Smile

tom:  
Capostrate na 1ª casa

Behind the smile that I portray  
I am saddened every day  
My eyes are sore  
With endless nights of crying  
I hope that you don't feel this way  
My heart fills with tears  
When you pass me by  
You won't look me in the eye  
Don't you think that it's a crying shame  
We must play these silly games  
The pain in my heart  
That shows we're apart  
Is growing stronger day by day  
Behind the smile that I portray  
I am saddened every day  
My eyes are sore

With endless nights of crying  
I hope that you don't feel this way  
If you think that I have done you wrong  
I won't try to change your mind  
But try to think of  
The love that we once had  
And maybe things won't seem so bad  
The memories of those times  
Are vivid in my mind  
And yet they slip away as time goes on  
Take me back tonight  
Hold me close and tight  
Forever I will be true  
I love only you  
Behind the smiles that we portray  
There is nothing hidden away  
Our eyes are sore because we are crying  
I hope we'll always feel this way
