

Rick Astley - Behind The Smile

tom:
 Gb (forma dos acordes no tom de F)
 Capostraste na 1ª casa

Behind the smile that I portray
 I am saddened every day
 My eyes are sore
 With endless nights of crying
 I hope that you don't feel this way
 My heart fills with tears
 When you pass me by
 You won't look me in the eye
 Don't you think that it's a crying shame
 We must play these silly games
 The pain in my heart
 That shows we're apart
 Is growing stronger day by day
 Behind the smile that I portray
 I am saddened every day
 My eyes are sore

With endless nights of crying
 I hope that you don't feel this way
 If you think that I have done you wrong
 I won't try to change your mind
 But try to think of
 The love that we once had
 And maybe things won't seem so bad
 The memories of those times
 Are vivid in my mind
 And yet they slip away as time goes on
 Take me back tonight
 Hold me close and tight
 Forever I will be true
 I love only you
 Behind the smiles that we portray
 There is nothing hidden away
 Our eyes are sore because we are crying
 I hope we'll always feel this way
