

# Rick Astley - Behind The Smile

tom:  
 Gb (forma dos acordes no tom de F )  
 Capostraste na 1ª casa

Behind the smile that I portray  
 I am saddened every day  
 My eyes are sore  
 With endless nights of crying  
 I hope that you don't feel this way  
 My heart fills with tears  
 When you pass me by  
 You won't look me in the eye  
 Don't you think that it's a crying shame  
 We must play these silly games  
 The pain in my heart  
 That shows we're apart  
 Is growing stronger day by day  
 Behind the smile that I portray  
 I am saddened every day  
 My eyes are sore

With endless nights of crying  
 I hope that you don't feel this way  
 If you think that I have done you wrong  
 I won't try to change your mind  
 But try to think of  
 The love that we once had  
 And maybe things won't seem so bad  
 The memories of those times  
 Are vivid in my mind  
 And yet they slip away as time goes on  
 Take me back tonight  
 Hold me close and tight  
 Forever I will be true  
 I love only you  
 Behind the smiles that we portray  
 There is nothing hidden away  
 Our eyes are sore because we are crying  
 I hope we'll always feel this way
