

Rick Astley - Behind The Smile

Capostrate na 1ª casa

Behind the smile that I portray
I am saddened every day
My eyes are sore
With endless nights of crying
I hope that you don't feel this way
My heart fills with tears
When you pass me by
You won't look me in the eye
Don't you think that it's a crying shame
We must play these silly games
The pain in my heart
That shows we're apart
Is growing stronger day by day
Behind the smile that I portray
I am saddened every day
My eyes are sore

With endless nights of crying
I hope that you don't feel this way
If you think that I have done you wrong
I won't try to change your mind
But try to think of
The love that we once had
And maybe things won't seem so bad
The memories of those times
Are vivid in my mind
And yet they slip away as time goes on
Take me back tonight
Hold me close and tight
Forever I will be true
I love only you
Behind the smiles that we portray
There is nothing hidden away
Our eyes are sore because we are crying
I hope we'll always feel this way
