

# Rick Astley - Try

Tom: C  
Intro: Am F C G

Am F  
I don't know if I can make it  
But I'm gonna try, I'm gonna try  
Am F  
I don't know if I can make it  
But just watch me try, watch me try  
F G  
When it feels like all my chances  
Am  
End in empty sighs  
F G  
I remember that the only thing  
Am G  
That I can lose is pride  
C  
You know I got to try  
C G  
Even though my heart is on the line  
G Am  
Even if I'm broken on the inside  
Am F  
There's nothing I won't do to make it right  
F  
You know, you know I got to try  
Am F  
All I know is nothing certain  
C G  
So I'm gonna try, I'm gonna try  
Am F  
It's only myself that I'm hurting  
C G  
If I don't try, if I don't try  
F G  
When it feels like all my hopes and dreams  
Am  
Are shattered into dust  
F G  
I remember that the only thing  
Am G

I have to do is trust  
C  
You know I got to try  
C G  
Even though my heart is on the line  
G Am  
Even if I'm broken on the inside  
Am F  
There's nothing I won't do to make it right  
F C  
You know, you know I got to try  
C G  
Even if I'm stopped to every turn  
G Am  
Even if I lose and crash and burn  
Am F  
I won't quit until your love I've earned  
F F  
You know, you know I got to try  
F  
Don't need anyone to tell us this is golden  
G Am  
I can see that there are diamonds in your eyes tonight  
F F  
Don't need anyone to tell us to be open  
C Am C  
We'll open up, we'll open up our wings and fly  
C G  
Even though our hearts are on the line  
G Am  
Even if we're broken on the inside  
Am F  
There's nothing we won't do to win this fight  
F C  
You know, you know we got to try  
C G  
Even if I'm stopped to every turn  
G Am  
Even if I lose and crash and burn  
Am F  
We won't quit until your love I've earned  
F F  
You know, you know we got to try
