Tom: C

Tom :F

Hey!
 You know what boy?
 That girl i amazing,
 but she will drive you crazy.
 Look out!
 Shes got a look in her eye
 that says she knows why
 just to taste her is never enough
 She gets a thrill outta lovin
 and watching you suffering
 she says you can look but
 dont touch
 So dont go fooling yourself
 like so many others
 whove fallen for only a smile
 but if youre in for the ride
 hold on tight
 adios, and kiss your heart goodbye!

Chorus:

Oh, and if you ever saw her
 well shes every dream girl from
 Monroe to Madonna
 youll swear she walks on water

shes so fine...

Oh, and if you ever kissed her
 well, I tell you my friend, you could
 never resist her
 and if you ever saw her, youd
 know why
 she holds your heart in your hand
 shell make you a man
 but shell play you however she wants
 just when you think you are winning
 your head starts a spinning
 you open your eyes and shes gone
 so dont believe youre the one
 dont think that this dream is forever
 its only a game
 but if youre in for the ride
 hold on tight
 adios, and kiss your heart goodbye
 repeat Chorus
 youd know why
 youd know why
 shes an atom bomb ahd shes waiting
 to blow you away
 away, you better run for cover and pray
 adios and kiss your heart goodbye
