

# Ricky Martin - Livin' la vida loca

Tom: E

**Dbm**  
 She's into superstition  
 black cats and voodoo dolls  
**Dbm**  
 I feel a premonition  
 that girl's gonna make me fall  
**Dbm**  
 She's into new sensation  
 new kicks and candle light  
**Dbm**  
 she's got a new addiction  
 for every day and night  
**Dbm Gbm**  
 She'll make you take your clothes off  
**Abm**  
 and go dancing in the rain  
**A**  
 she'll make you live the crazy life  
**B**  
 or she'll take away your pain  
**Ab7**  
 like a bullet to your brain  
**Dbm**  
 upside inside out  
**B Dbm**  
 she's living la Vida loca  
**Dbm**  
 she'll push and pull you down  
**B Dbm**  
 she's living la Vida loca  
**Dbm**  
 her lips are devil red  
**B Dbm**  
 and her skins the color mocha  
**Dbm**  
 she will wear you out  
**B Dbm**  
 she's living la Vida loca  
**B Dbm**  
 living la vida loca  
**Dbm**  
 woke up in New York City  
 in a funky cheap motel  
**Dbm**  
 she took my heart and she took my money  
 she must of slipped me a sleeping pill  
**Dbm Gbm**  
 she never drinks the water  
**Abm**  
 makes you order French Champaign

**A**  
 and once you had a taste of her  
**B**  
 you'll never be the same  
**Ab7**  
 she'll make you go insane  
**Dbm**  
 upside inside out  
**B Dbm**  
 she's living la Vida loca  
**Dbm**  
 she'll push and pull you down  
**B Dbm**  
 she's living la Vida loca  
**Dbm**  
 her lips are devil red  
**B Dbm**  
 and her skins the color mocha
