

Ricky Martin - Private Emotion

Tom: C
Intro: C G F F
C G F F
C G Am

Every endless night has a dawning day
Every darkest sky has shining ray
And it shines on you
Baby can't you see
You're the only one who can shine for me

It's a private e - motion that fills you tonight
And a silence falls be - tween us
As the shadows steal the light
And wherever you may find it
Wherever it may lead
Let your private emotion come to me
Come to me
Come to me
Come to me

When your soul is tired
And your heart is weak
Do you think of love
As a one way street
Well it runs both ways
Open up your eyes
Can't you see me here
How can you deny

Am E G D

It's a private e - motion that fills you tonight
And a silence falls be - tween us
As the shadows steal the light
And wherever you may find it
Wherever it may lead
Let your private emotion come to me

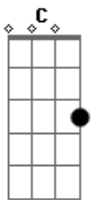

Solo: Bb F C x2

Come to me
Come to me
Come to me

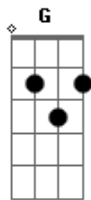

Every endless night has a dawning day
Every darkest sky has shining ray
It takes a lot to laugh
As your tears go by
But you can find me here
Till your tears run dry

It's a private e - motion that fills you tonight
And a silence falls be - tween us
As the shadows steal the light
And wherever you may find it
Wherever it may lead
Let your private emotion come to me
Let your private emotion come to me
Let your private emotion come to me
Come to me
Come to me
